iPad / iPhone Delivery Pads and Crystal Balancer

Delivery Pads

Two compact 2"x2" pads of highly conductive silver fabric face with a vinyl backing. Each of the Delivery Pads is connected with an 18" length of cable that attaches to one - 3.5mm mono jack.

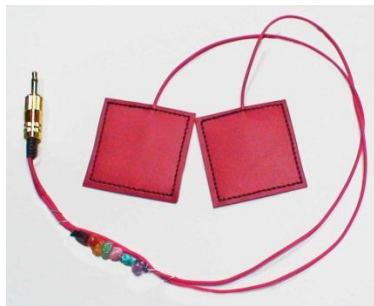

Crystal Balancer

The Crystal Balancer contains 7 Chakra crystals with grounding hematite at each end mounted on a 3" silver wire.

The crystals of the Crystal Balancer are excited by the output frequencies of the device thus maximizing their energy.

Crystal Balancer easily wraps around cables close to jack.

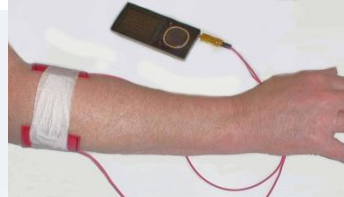

Suggested areas to place the Delivery Pads

Right and Left Temple

Right and Left Wrist

Either side of Injury or area of concern

Use the two included reusable headbands to hold Delivery Pads in any place of concern.

The Splitter allows the mono jack of the Delivery Pad to receive as you listen to the frequencies in your stereo headphones at the same time

Note: When plugging in the mono 3.5mm jack to your device, **do not force it**, i.e. jack may appear not to be plugged in all the way. Failure to note this may cause damage to your unit.
